Note: All entries are on a first come first served basis when entry fee is received

CANCELLATION POLICY

Due to an increasing number of teams that drop out at the last moment, thereby jeopardizing a full slate of teams and games for other participants, the following cancellation policy will apply:

Registration will be **confirmed** by email once payment has been received.
if a team drops out, **payment will be refunded only if another team can be found** to replace them in the bonspiel.
